

ANNUAL HOSPITAL PARTY

Jewish Sanitarium Plans Record Distribution of Gifts.

The Jewish Sanitarium for Incurables will hold its tenth annual party for the inmates of Kings County Hospital on Monday. Mrs. W. D. Max of the committee in charge believes the affair will be on a larger scale than last year, when a record distribution of 700 packages was made.

This year's party also serves as a celebration for the granting of a charter to the Jewish Sanitarium by the State Board of Charities last year and the recent purchase of 26 lots running from East Forty-seventh to East Forty-ninth streets, where the new institution for Jewish incurables will be erected next year.
